TIPS & TRICKS

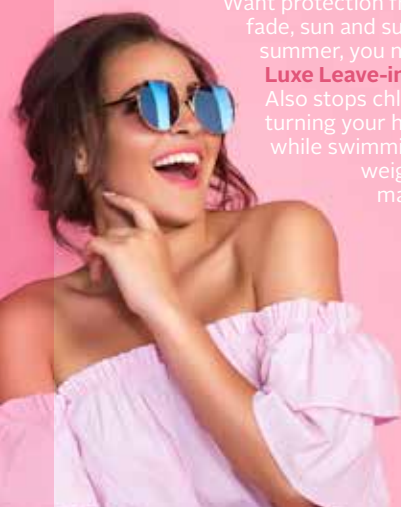

Coming into summer your hair may start to dry out so you are going to need to not only keep yourself hydrated but your hair too! But don't sweat it we have got you covered with our new **System Professional Hydrate Shampoo and Conditioner Duo Packs** allowing your hair to drink in all the moisture it needs to leave it feeling soft and shiny.

To make sure your summer days at the beach or the pool doesn't get the better of your hair, try applying the **Joico Blonde Life Brightening Mask for Blondes** or the **Juuce Shock Treatment for Coloured Hair** before swimming to prevent the salt and chlorine from drying out your hair.

Coming into the warmer weather, use **Angel Helichrysum Wakening Cream** to protect your hair from heat and UV rays! Cream is easily absorbed into hair leaving it feeling soft and frizz free.

With Summer on the horizon, maximize the benefits of your Moroccan Oil by mixing 2-3 drops with **Moroccan Oil Weightless Hydrating Mask, Restorative Hair Mask or Intense Hydrating Mask**. After shampooing, apply to towel-dried hair and then wrap in a hot towel and relax for 5-7 minutes before rinsing.

Want protection from colour fade, sun and surf this summer, you need **Davroe Luxe Leave-in Mask!!** Also stops chlorine turning your hair green while swimming, a great weightless masque.
