# TIPS & TRICKS

Created as a multi-use product gently cleanse the Beard, Hair and Body, **The Seb Man Multitasker!** Made with Guarana extract, for its amazing cleansing properties, and has a stimulating scent of bergamot and pink pepper to give skin and hair a fresh scent. It's suitable for all hair types. Just apply a small amount, lather it onto wet hair, beard and body, and rinse well to experience the freshness.

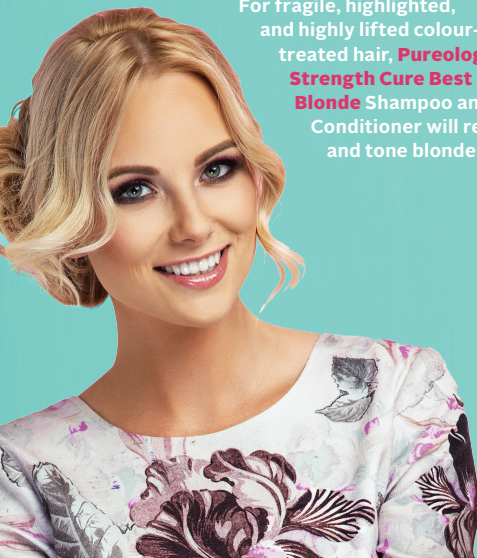

Wanting an every day leave in conditioner? Try **Davroe Luxe** leave in masque. Adds moisture for soft manageable hair. Guards against elements and prevents chlorine 'greening' when applied before swimming. Apply on damp or dry hair.

After blow drying or straightening, finish your style with **Wella Eimi Glam Mist**. Adds lovely shine and protects your hair from humidity and UV.

Curly hair, regular treatment regimen is crucial to maintaining the integrity of your curls. A good indicator as to whether or not you need one is to stretch out one hair strand. If it does not bounce back it is time for a treatment mask. Try **Wella Fusion**.

**Sebastian Potion 9** mixed with Sublimate (invisible finish cream) gives a nice finish to ends of the hair while not being too strong.

For fragile, highlighted, and highly lifted colour-treated hair, **Pureology Strength Cure Best Blonde Shampoo** and **Conditioner** will repair and tone blonde hair.
