EACH

WHAT THE SYMBOLS NEXT TO THE PACK MEAN?

- Thicken
- Boosts Density
- Nourish
- Strengthen

# TIPS & TRICKS

Tired of frizzy flyaways? Tame your curls with **NAK Curls Crème**.

Dry, knotty hair? **NAK Hydrate Detangle Mist** is a lightweight leave-in conditioner that detangles, adds shine, and protects against breakage and split ends. Enriched with Coconut Oil, Aloe Vera, Hydrolysed Rice Protein, and Pear Extract. Spray on damp or dry hair and leave in for smooth, shiny, bouncy results.

Shampoo smarter. Apply shampoo only to your scalp to cleanse product buildup, dead skin, and oil. Follow with conditioner to moisturise, detangle, and make hair more manageable.

Need volume? **Pureology On The Rise Root Lifting Mousse** boosts root volume with all-day lift. Lightweight, shiny, heat-protecting, and non-sticky. Sulphate-free and 100% vegan.

Try Angel's **Camellia Versatile Cream**. A luxurious leave-in to repair and moisturise. After using Angel shampoo and conditioner, apply to towel-

dried hair and style. With Camellia, Sweet Almond, and Macadamia Oils, it softens, seals ends, and adds shine.

Now stocking **Design Me Hold Me Styling Stick**! Effortlessly tames flyaways, adds definition, and gives control for a sleek finish. Use directly on hair or dab on with fingers.

**Nioxin Hair Fall Defense Serum** contains niacinamide, lauric acid, caffeine, and sandalore to nourish follicles and support stronger growth and anchorage. Apply to a clean scalp and massage to boost circulation. For optimal absorption and effectiveness use in conjunction with the **Nioxin Hair Fall Defence Shampoo**.

**Wella Oil Reflections Luminous Smoothing Oil** is ideal for winter-dry, frizzy hair. It combines Coconut Oil (rehydrates, prevents protein loss), Macadamia and Avocado Oils (nourish, reduce frizz, repair, and add shine). Use on damp hair as a leave-in or dry hair as a finishing oil.

Silk lined hats help to retain moisture and reduce breakage and frizz. Our **Wella Ultimate Repair Night Serum** is not just useful at night. Apply it before you put on your hat to reduce the friction that hat wearing causes. It contains Omega 9, AHA and defence polymers that help to hydrate and repair the hair while reducing friction, tangling and breakage.
